SECRETARY'S OFFICE, Jan. 22, 1838.

*To the Honorable Senate and
Honorable House of Representatives :*

In compliance with the provisions of the Act of the 18th of April last, I have the honor to submit an Abstract of the Returns which have been received in this office from insurance offices incorporated with *specific* capital within the state. As these corporations are not required by law to file any notice with this department of the acceptance or discontinuance of their charters, I had no official or certain knowledge of what offices were, or were not, actually in existence. Blanks were however forwarded to the addresses of such as were commonly supposed to be in operation. From all these offices, returns were received with the following exceptions, viz: The Merchants and Newburyport offices in Newburyport, Roxbury, Plymouth, Fall River Fire and Marine, Taunton Fire and Marine, Duxbury Fire and Marine, Hingham Fire and Marine, Cape Cod Fire and Marine, and Nantucket Union Marine.

Very respectfully, your obedient servant,

JOHN P. BIGELOW,

Secretary of the Commonwealth.
